JOLLY HOCKEY STICKS ON THE CATWALK

LINZI DREW LIVE ON STAGE

DEBBIE BARES ALL AT THE BIKE SHOW

club Catwalk

Girls – if you're intent on making your uniform-loving fella a happy man, how about doing it in style? How about doing it the *Bazooka* way?

The academic look has never been so popular, especially as far as men are concerned (we receive hundreds of letters a year from readers requesting models to go all scholarly). And *Bazooka's* striped woollen jacket (£115) and matching skirt (£38) are sheer (right at the top of the) class.

Bazooka (we're not sure whether the name is supposed to conjure up visions of an anti-tank weapon or bubble gum) consists of two talented young designers, Cheryl Eastap (22) and Angela Aurora (24). They can boast some formidable clients, including Paul Young, Kim Wilde and the all-conquering Frankie Goes To Hollywood.

Those wishing to relive their schooldays should form an orderly queue outside *Joseph*, Sloane Street, and *Whistles*, St Christopher's Place, both London, who stock *Bazooka* clothes.

Harvey Nichols supplied Julie's socks (£4.50) and stockings (£3), while the tie came from nowhere less than Harrods (£3.50). The shirt is the photographer's own.

Jilly's Frillies

All the underwear on show comes from the delightfully-named outlet of *Jilly's Frillies*, of which we're featuring the *Risqué* range.

Gorgeous model Jilly Johnson (above) is the name behind the title. She's been receiving quite a bit of public exposure recently, what with appearing on TV panel shows and commercials, and playing the Principal Boy in *Mother Goose* at the Theatre Royal, Lincoln, so the face may be familiar to you.

All major lingerie shops, including Fenwick's of New Bond Street, London, stock *Jilly's Frillies*.

Prices: basque (£17.99), bra (£9.99), G-string (£7.99), briefs (£9.99), suspender belt (£9.99) and French knickers (£11.99).

When it comes to blonde bombshells, Becky must surely rank as one of the most luscious we've ever featured. But the 22-year-old from Skipton isn't keen on the bombshell tag. "It makes me sound like a bit of a bimbo," she groans as she

With a girl like Barbara, you can be sure that you'll get what you want – that is, if you give Barbara what she *wants first.*

"And what I want is a really good seeing-to!" the naughty brunette told us, after she'd given us a glimpse of all her charms. "I adore having sex. Apart from the fact that it's really good exercise – for all

parts of the body! – I just basically love the feeling of having an orgasm. I can really let myself go then. I don't care what I look like when I'm coming, I just let it all hang out.

"I hope all this isn't too rude for you, but I got so randy doing the shoot that I just had *to tell you about it. I hope it's got you feeling the same."*

Certainly has. ♣

Vanessa is game for anything between the sheets as long as guys spend hours getting to know her tits. "My boobs are so sensitive that just one touch makes me wet between the legs," confesses Vanessa as she pulls down her polka dot top, revealing two gleaming breasts tipped with perfect candy-pink nipples.

old from Canning Town, "so whenever I get the chance to show them off, I do. And I think these white lacy stockings really do the business. When I look at myself in the mirror when I'm wearing them, I get some really naughty thoughts. My mum would be shocked!"

So we're showing a good deal of those tasty pins here, not to mention the boobs, the bum . . . ♣
